The tie trade at this place remains unchanged. We believe there are more ties brought to this town than any other town on the L. & N. line.—The Holy Rollers will begin a series of meeting here next Saturday we are informed. While a great many of us can't see as they do yet if it suits them we have nothing to say, as we don't wish to cross swords with any sect or denomination. Every man has a right to worship God according to the dictates of his own conscience.—Dock Jones has just returned from the garden spot of the world, which in plain words is Level Green. This is his first trip and he gives it a glowing description. Dock is about right no place on earth is better in our estimation than Old Level Green.—F. L. Well, W. M. Hicks and the writer are still on the single side of the matrimonial fence and for all indications will remain so. A wife is harder to get now than they were in Solomon's days.—It is talked here that a rail road will be constructed up Rockcastle river. We hope this is true. We do know that the Thomas heirs have sold a large tract of timber land up the river and this Co. will get it out some way but whether they will bring it this way or some other we are unable to say.—J. M. Fourie has purchased a store house on Main street from H. M. He was the son of John Preston who lived in this county until a few years ago.—Dr. Amyx and Joe Childress have returned from Florida and they picture that country as a paradise on earth but after they were there a few days they thought of the song that the band plays, "My Old Kentucky Home" so Dock started for home at once, Joe went further down on the coast but at last getting home sick and thinking of those beautiful words "There's No Place Like Home" he started and landed here

You are probably aware that pneumonia always results from a cold, but you never heard of a cold resulting in pneumonia when Chamberlain's Cough Remedy was used. Why take the risk when this remedy may be had for a trifle? For sale by Chas. C. Davis,

Vernon returned home Saturday last.—Mrs. Garley Soxer is in very poor health at this time.—Rev. James Elder will soon move to his property recently purchased of Larkin Hicks Esq., and the indications are the latter will migrate to Brodhead in the near future.—Grider Barnett left Monday for Shelbyville, to attend to some important business.—The wheat crop looks very favorable in this locality.—There is some talk of a canning factory being established at this place.—Robt. Brown and family visited relatives in Pulaski a few days since.

The death angel visited the home of Mr. and Mrs. Stephen Elder, of Quail, Feb. 19 at 11 o'clock p. m. and took for its victim the latter's companion, Uncle Stephen Elder. He was a devout member of the Christian church at Providence and will be badly missed in the church and home circle. The deceased was a sociable, upright and honorable man and had reached his 70th year. He leaves behind him two brothers, and one sister, Rev. Geo. Elder, of near Bee Lick, David Elder Sr., of Pulaski county and Mrs. Tart Proctor, of Ottawa, a wife and six children, Jacob Elder, of Brodhead, and David Elder Jr., of Quail and Mesdames; Jack Malpins Eugene Brown, John Proctor, of Quail and G. B. Sutton, of near
